

Sprint 3

Team Id	PNT2022TMID22874
Project Name	Personal Assistance for Seniors Who Are Self Reliant

Mobile Application

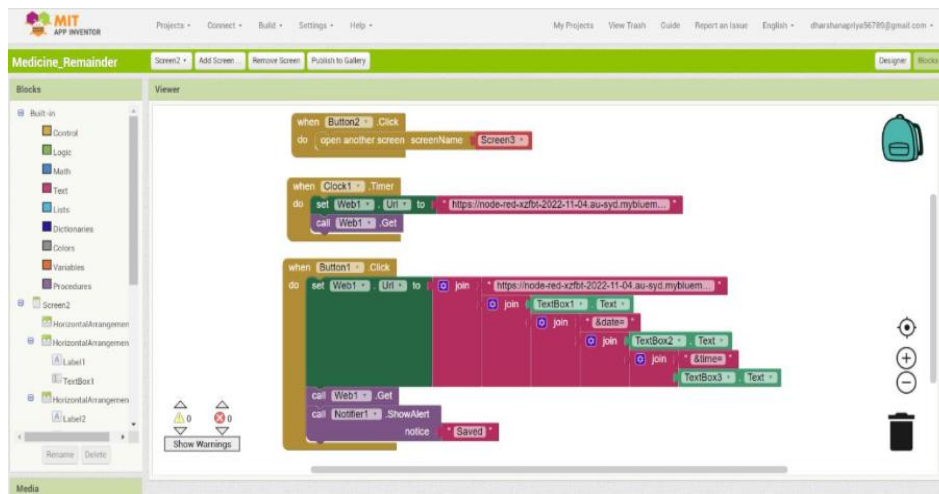

1.Splash Screen

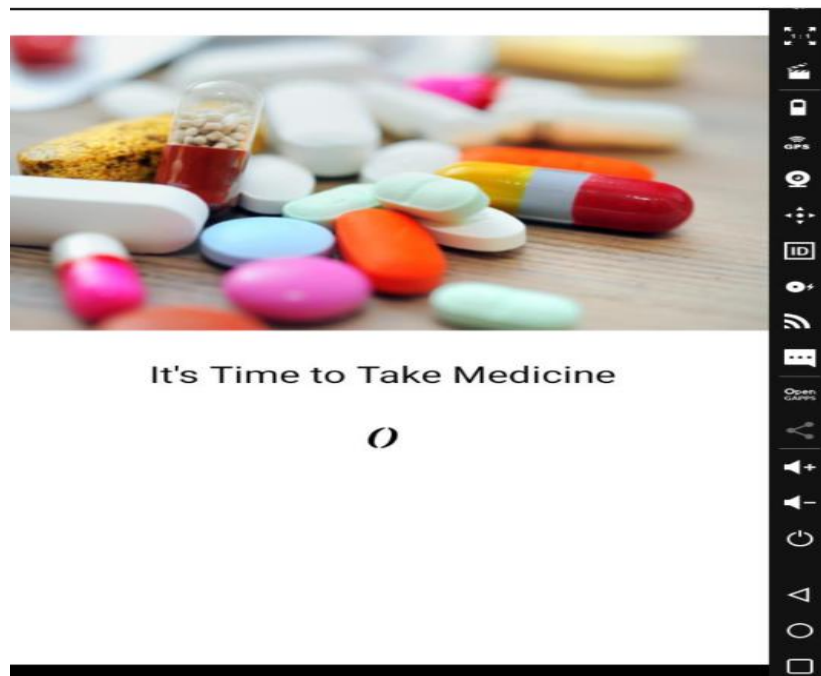

2.Get medicine data from user

A screenshot of a mobile application form. The form has a white background and is set against a light gray background. On the left side, there is a vertical list of labels: "Medicine", "Date", and "Time". To the right of these labels are three input fields. The first input field is labeled "Enter Medicine Name", the second is labeled "Enter Date", and the third is labeled "Enter Time". Below these input fields is a large red button with the text "Save". To the right of the "Save" button is a green button with the text "Next". The top of the screen shows a status bar with the text "Custom Phone (768x1280, 320dpi) - 192.168.173.102 - Genymot...". On the right side, there is a vertical toolbar with various icons for navigation and development.

3.Blocks for user input

4.Display remainder with audio

5.Blocks for remainder
